Anyone wishing to use these photos for any purposes should first get permission from the author (schighflyer@gmail.com).

In addition, photos must include proper acknowledgement to the author (e.g. Photo Courtesy of High Flyer © 2017) in a prominent position near the photo insertion.

Thanks!

FYI, High Flyer is the “nom du plume” of a prominent SC resident who wishes to remain anonymous to avoid some of the political fallout that inevitably follows the subjects of his photos.
