

The State Columbia, SC June 23, 2014

### Public Notice

The U.S. Department of Energy  
announces the **Public Scoping Meeting**  
for the **Environmental Assessment for**  
the **Acceptance and Disposition of Used**  
**Nuclear Fuel Containing U.S.-Origin**  
**Highly Enriched Uranium from the Federal**  
**Republic of Germany**

June 24, 2014  
North Augusta Community Center  
495 Brookside Drive  
North Augusta, South Carolina 29841

Scoping meeting will begin at **6:30 p.m.** with a half-hour **Open House** during which the public may sign-up to give oral comments, obtain information materials, and speak informally with technical staff and Department of Energy (DOE) officials. **At 7:00 p.m.**, DOE will give a brief presentation on the Environmental Assessment for the Acceptance and Disposition of Used Nuclear Fuel Containing U.S.-Origin Highly Enriched Uranium from the Federal Republic of Germany (German HEU Fuel EA). After the presentation, members of the public will be invited to provide comments on the scope of the German HEU Fuel EA. The comments will be recorded by a court reporter. The meeting is scheduled to end at **9:00 p.m.**

Written comments may also be submitted at the scoping meeting or by:

**U.S. MAIL:** Mr. Andrew Grainger, NEPA Compliance Officer,  
U.S. Department of Energy, P.O. Box A, Aiken, South Carolina  
29802

**TOLL-FREE FAX:** 1-877-865-0277

**EMAIL:** drew.grainger@srs.gov

The public scoping period extends through July 21, 2014. Comments received after that date will be considered to the extent practicable. Both oral and written comments received during the scoping period will be given equal consideration in defining the scope of the German HEU Fuel EA. DOE will stream this Scoping Meeting live if possible. For more information on links to the webcast and the German HEU Fuel EA visit <http://sro.srs.gov/>
