Dear Mr. Clements:

This letter is the final response to your March 1, 2018, Freedom of Information Act (FOIA) request. You requested the following:

1. Annual Department of Energy report to Congress by February 15, 2018 as to the status of the Mixed Oxide Fuel Fabrication Facility at the Savannah River Site, as required by "SEC.3182. DISPOSITION OF WEAPONS-USABLE PLUTONIUM AT SAVANNAH RIVER SITE" of the NATIONAL DEFENSE AUTHORIZATION ACT FOR FISCAL YEAR 2003.
2. All cover letters and attachments to the above report.

This request was originally sent to Department of Energy Headquarters (HQ). HQ transferred the request to our office and it was received on March 14, 2018.

We contacted the National Nuclear Security Administration's (NNSA) Office of Acquisition & Project Management (NA-APM) and the Savannah River Field Office (SRFO) about your request. NA-APM, SRFO searched their network folders, hard drives, and emails to locate responsive documents and no responsive documents were found.

We also contacted NNSA's Office of Defense Nuclear Nonproliferation (NA-20) about your request. NA-20 stated that the requested document is currently in the concurrence process and the date of completion cannot be provided at this time. NA-20 has completed a search of all records, and found no responsive documents related to your request.

This decision, as well as the adequacy of the search, may be appealed within 90 calendar days from your receipt of this letter pursuant to 10 C.F.R. § 1004.8. Appeals should be addressed to Director, Office of Hearings and Appeals, HG-1, L'Enfant Plaza, U.S. Department of Energy, 1000 Independence Avenue, S.W., Washington, D.C. 20585-1615. The written appeal, including the envelope, must clearly indicate that a FOIA appeal is being made. You may also submit your appeal to [OHA.filings@hq.doe.gov](mailto:OHA.filings@hq.doe.gov), including the phrase "Freedom of Information Appeal" in the subject line. The appeal must contain all of the elements required by 10 C.F.R. § 1004.8, including a copy of the determination letter. Thereafter, judicial review will be available to you
